Thank you to our amazing Year 6's! This is not really goodbye, it is simply the next stage of your journey of which All Saints' will always be a proud to be part of. You will always be welcome back here anytime so please come and let us know what fantastic things you all get up to. You will all be missed –
Good luck.

What a year !

We have made it to the end of what has been both challenging and inspirational year in its own way. I remember writing to you this time twelve months ago, expressing my hope that the worst of Covid was behind us and that in 20/21 we could get back to being normal 'All Saints'. How wrong could I be!

Over the past year, we endured another Lockdown and then sadly after avoiding the virus in school for so long recently we had several class closures and a school closure. It was truly heart-breaking to have to send children home from school. Thank you for your support with home learning and your patience and understanding.

The most notable thing to report this year is the children themselves. It was a joy to see them all return last September and a joy once again when they returned in March after the winter lockdown. As good as any remote learning can be, nothing beats being in school, learning face to face, and nothing beats being with their friends and classmates. The end of year assessments show that the lockdowns have had some impact, but what is clear is the good progress that the children have made despite the disruption they have faced. They are more resilient than we may ever realise and are clearly keen to continue their learning journeys. I am really proud and impressed by their efforts.

Finally, I am really proud of the effort and commitment that the staff at All Saints' have shown this year. It has been really tough at times and they have been so flexible dealing with the ever changing guidance and ensured everything stayed as normal as it could for our children. I hope you all have a peaceful, safe and pleasant summer holiday and thank you all once again for all your support. All Saints' is a fantastic and supportive community of which we are all proud to be part of.

September 2021

Covid will not go away next academic year, but we are expecting to open school up again in September as 'normal' without needing staggered starts and finishes. It has been a long time since we operated our usual school timings so we wanted to remind you that children can start to come in to school each day from 8.40 am and all children should be in and registered by 9.00 am. School finishes each day for all children at 3.15pm. All of this is obviously dependent on up to date Local and Government Guidance. We shall update you with any changes on text and the website. Our Breakfast club will operate from 8.00 am every morning.

Covid in the Summer

Please can I remind everyone that IF your child tests positive for Covid-19 up to Friday 23rd July to let us know so that we can decide whether there are contacts that may need to isolate.
Please email school or contact us on the school mobile.

Sarah x

School re-opens on Thursday □ 2nd September.

End of Term Award Winners

Pupils of the Year

Nursery – Kassidy H, Reception – Clara R, Year 1 – Lil R
Year 2 – Oliver M, Year 3 – Abigail B, Year 4 – Daisy P,
